PRESIDENT ELECT MESSAGE

Last week the Incoming Board held an interim meeting to discuss plans and direction for the coming year, and also to plan the budget for 2019-2020. The budget will be taken to the joint Board Meeting on June 11th and then presented to the Club the following week for discussion and approval.

We were also required to discuss as a matter of urgency (due to the application time being so close) an application for support of an outgoing Youth Exchange student, Rohan Swinsberg from Deloraine. We voted to support his application, which does require administrative assistance but little in the way of a financial impost upon the Club. We wish Rohan well in his application.

The incoming Board set some priorities / plans for the coming year which I would ask you to consider and comment upon at the next Club Assembly, or prior to that should you feel the need.

District has set priorities related to **membership** and **public relations** to which we will adhere. We do need to market ourselves well, and not only attain new members, but retain the valuable members we already have.

If you have any ideas, or suggestions, please contact one of us ASAP!

We plan to focus on **friendship** and keeping meetings **fun and enjoyable**, not only to enhance our own experiences as members of the Rotary Club of Deloraine, but also to present ourselves as a **vibrant group of people** who are focused on **enjoying ourselves** whilst **participating in worthwhile projects** to potential members.

We need help, advice, input on how to do this. There have been some great suggestions thus far (some involving alcohol) but please do let any of the Board know if you have suggestions, particularly those comedians amongst you!

We need to focus on **participating in community and other activities and projects**, rather than focusing on fundraising per se. As noted at District Assembly, we need to encourage others to be “doers” to gain their interest and participation, rather than “workers” who work themselves ragged to raise money.

Nevertheless, we do need to raise funds, and suggestions regarding fundraising activities for our projects, as well as grant applications and the like will be welcomed and supported

We plan our focus this coming year to be **Community and Youth**, particularly **local Youth**.

With regard to keeping the Club as a whole informed of Board decisions and/or plans, the **Club Assembly** will be held the week after the Board meeting moving forward, i.e. the third Tuesday of the week.

Kind regards to you all and we look forward to a vibrant year ahead.

President Elect Anne

MY ROTARY EMBLEM

It grants me a great and honourable privilege. Anywhere I go, each wearer of this noble badge is my friend. Into their surroundings I may go with assurance of a warm welcome. It requires of me that I think in harmony with the principles of Rotary, the highest in the land and broad enough to encompass every daily activity. It requires that I dispel the prejudices of race, creed and political views. I must be patient, liberal, just and upright, all to a noticeable degree. It reminds me that it moves in a realm to itself. It is looked upon with unimpaired respect wherever it appears. Its wearer enjoys a distinction that only the violation of its principles can mar. All this speculation makes me wonder if I deserve to wear it. Am I equal to all it implies?
