## Deloraine Combined Probus Club 35<sup>th</sup> Anniversary

The Combined Probus Club of Deloraine will celebrate its **35<sup>th</sup> Anniversary** on **Tuesday 21<sup>st</sup> February**, when it will hold its AGM followed by Celebrations, finger food and fellowship.

### About Probus . . . .

*"To stimulate thought, interest and participation among members in activities at a time of life when horizons are narrowing and opportunities to make new friends are limited.*

**PROBUS** is an association of retired and semi-retired people who join together in Clubs, the basic purpose of which is to provide regular opportunities for them to keep their minds active, expand their interests and to enjoy the fellowship of new friends.

The word **PROBUS** is an amalgam of the words **PRO**fessional and **BUS**iness.

*All Clubs are sponsored by Rotary Clubs, but, on formation are autonomous."*

An invitation is extended to Rotarians to join with the Combined Probus Club to celebrate their 35<sup>th</sup> Anniversary, on **Tuesday 21<sup>st</sup> March, 11.00am** at the Rotary Function Centre.

**THIS WEEK'S MEETING (7<sup>th</sup> March) — 6.00pm**  
**Visit to Bogan Road Distillery**  
**(711 Bogan Road, Quamby Brook)**

For this week's Meeting (Tuesday 7<sup>th</sup> March) Tony Wadley has organised for Rotary to visit **Bogan Road Distillery**. Rotarians will be required to BYO, and with a change in the weather expected (BBQ will now not take place), please look at bringing salad, a platter (something that does not need heating), chairs, drinks.

**Karin and Shane Spencer** will give an overview of their Distillery, and therefore Rotarians (guests) are asked to be at the Distillery by **6.00pm**

Please allow at least 15 minutes travelling time, and here are some directions as provide by Karin . . . . .

*“Head up East Barrack Street / Quamby Brook Road*

*Then onto Bogan Road, at the crossroads, turn right to Golden Valley*

*About 3-4 kms along on the left-hand side you will see a car door and a landrover*

*You have arrived at your destination”*

**About Bogan Road Distillery:**

Based in the Meander Valley region, Shane and Karin Spencer began investing in the Tasmanian Whisky industry when they were looking for local opportunities for investment in the 2000's. Since then they have been enjoying many a dram from all over the world and learning what goes into making a great whisky. Convinced that Tasmania has something special to offer the whisky world they started their own independent bottling business in 2016.

## AUSTRALIAN ROTARY HEALTH LAURA GRATTIDGE

Stephanie, Andrew, Merrilyn and I attended the Australian Rotary Health function, hosted by the Rotary Club of Launceston, where Laura Grattidge spoke on her PhD that she commenced in 2020 on *Suicide Prevention in Rural Communities*, and will finish towards the end of this year. She gave a detailed description of her study so far and she has recently had a paper

published, '*Exploring Community-Based Suicide Prevention in the Context of Rural Australia: a Qualitative Study*'.

### **About Laura . . . .**

Laura works at the Centre for Rural Health, University of Tasmania, as a project manager and research assistant, evaluating suicide prevention, mental health and wellbeing programs around Tasmania.

Before working at the Centre for Rural Health around 6 years ago, she worked in project, data and research-related roles, for around 13 years across state and federal government health and welfare organisations in Australia. With a public health and psychology academic background, Laura has interests in public and mental health, suicide prevention, and other complex social issues impacting local communities and vulnerable groups. Laura is focused on conducting research in these areas to influence policy and social change in Australia's regional and rural areas, providing a voice for youth, children, and people affected by mental ill-health and suicide.

Laura is an advocate for people with a lived experience of suicide and mental ill-health, representing Australia and starting a suicide prevention sub-committee within the Global Mental Health Peer Network, and recently being appointed as a lived experience member of the project management group for the MANNA Institute, a virtual institute of researchers working with industry and community partners to improve wellbeing and mental health in regional, rural and remote areas of Australia. She also represents Tasmania on the Tas/Vic Joint Committee at Suicide Prevention Australia.

Laura commenced a PhD in 2020, building on academic and professional experiences to explore the role of communities in rural suicide prevention, and develop 'Best Practice Guidelines for Youth Suicide Prevention in Rural Australian Communities'.
